

Meditation and Mindfulness Resources for children and young people

Mindfulness techniques can help to manage low level anxiety, and the resources listed below have been used successfully by children and young people in Dacorum schools. If experiencing trauma, mindfulness techniques are not appropriate.

Free Apps for children and young people

Stop, Breathe and Think

Available from itunes.apple.com

Meditation and mindfulness made easy and fun for children and young people, to help them fall asleep, calm down or resolve conflicts.

Smiling Mind

Available from itunes.apple.com

Smiling Mind is modern meditation, a unique web and app-based programme developed by psychologists and educators to help bring balance to people's lives.

Programmes available from age 7 upwards.

Relax melodies: Sleep sounds, white noise and fan

Select sounds and melodies that you like, combine them and adjust the volume of

each sound to create a mix. Add one of our meditations specially designed for sleep, lay back, listen, and enjoy falling asleep. Suitable for all ages.

Breathing Bubbles

Available from itunes.apple.com

Breathing Bubbles is an app that helps you to practice releasing worries and focusing on good feelings.

Websites for parents
