

The Hertfordshire SEND Toolkit

Launch Workshops

These essential workshops are part of a county-wide programme to introduce schools to the Hertfordshire SEND toolkit. This newly developed resource accompanies the Hertfordshire SEND Quality Offer and the SEND Benchmark & Planning Tool. Together this suite of materials provides schools with a vision, a self-evaluation framework and now has a toolkit providing a range of resources, tools and guidance to support the onward journey.

All sessions run 10:00 – 11.30am
