## Supporting your Child to Manage Exam Stress & Anxiety: 15.03.2023

At this time of year we are all mindful that our children are planning and working towards a range of assessments and exams, whether they be SAT's, end of year assessments, finishing course work or GCSE's and A-level exams.

### Invitation to a Parents Evening Supporting your Child to Manage Exam Stress and Anxiety Wednesday 15th March—6.30pm

Dear Parents and Carers

At this time of year we are all mindful that our children are planning and working towards a range of assessments and exams. Whether they be SAT's, end of year assessments, finishing course work or GCSE's and A-Level exams.

As part of our support for parents, carers and families, our next Parent Information evening is focusing on how we can support our children through this time. It is natural that children will become anxious during this time, however it is important that this anxiety does not become overwhelming and as a result affect their ability to engage and perform in whatever exam or assessment they may be involved with. We are conscious that many of our children can be affected by levels of anxiety and the challenge we all face is how to support this to avoid it escalating from low level anxiety to a level of stress that can hinder their ability to reach their full potential.

This next parent event is being held on **Wednesday 15th March** at Kings Langley Secondary School, WD4 9HN, on the theme of **Supporting your Child to Manage Exam Stress and Anxiety**. This informal evening will start at **6.30pm** and will give parents and carers the opportunity to learn some useful tips and techniques that will help you support your child in reducing their anxiety and developing their confidence so they can fulfil their potential. In particular, during the evening we will cover the following all of which will be focused on their behaviours relating to exams:

- Developmental milestones that can affect anxiety;
- Understanding anxiety and stress in Children;
- Developing responsibility, motivation and resilience;
- The power of positive language and communication;
- Strategies to manage stress and anxiety;
- The importance of good quality sleep;

This evening will be held in the main hall at **Kings Langley Secondary School, Love Lane, Kings Langley, WD4 9HN**. We welcome all parents and carers to attend and if you would like to book a place please email [familyservices@kls.herts.sch.uk](mailto:familyservices@kls.herts.sch.uk) or contact Emma Christie at Gade Schools Family Support on 07538 232069.

### Just Talk's latest campaign: 'Real Bodies in Herts'

This Week, Just Talk is launching 'Real Bodies in Herts: Every Bodyfor Everybody' -a campaign we have co-produced with young people, encouraging them to celebrate the fact that we all have different bodies. This county-wide positive body image campaign will feature real young people from Hertfordshire speaking about their own views and experiences around body image. Through the promotion of self-help tools, tips on navigating social media, and positive affirmations, the campaign will inspire young people to build skills and confidence to celebrate their own unique qualities as individuals.

To help promote the campaign, all schools will have access to a range of FREE resources from the Just Talk website. This includes age differentiated classroom activities to explore the issue of body image, guidance on how to set up a body image group in your school, Tips for looking after your self esteem when online, and a range of downloadable worksheets, promotional posters and positive affirmations to display in toilets/changing rooms. A comprehensive toolkit including details on how to access these resources will be sent to schools this week. If you need us to print and send you any additional hard copies of posters etc. please just drop us a line.

We'd really appreciate your support in ensuring your school helps to promote the important messages of the campaign between half term and the Easter break.

Visit the Just Talk website ([www.justtalkherts.org](http://www.justtalkherts.org)) for regular updates on the campaign, and please don't hesitate to contact us if you have any questions: [justtalk@hertfordshire.gov.uk](mailto:justtalk@hertfordshire.gov.uk)
